MANY OLD DEBTS PAID

By Rutland County Agricultural Society During Year.

Rutland, Jan. 5.—The annual meeting of the Rutland County Agricultural Society was held at the Rutland Hotel yesterday afternoon with the president, W. E. Carter, presiding. About 40 members attended. The secretary, W. K. Farnsworth, read the call for the meeting and the minutes of the last meeting, which were approved.

Treasurer Will L. Davis, reported that the money handled during the year amounted to \$18,708.82. The society has a balance of \$15,337.85 and there is now on hand \$230.77 in cash. The outlay included \$3,149.27 paid on old debts. All bills against the society have been paid except a note for \$2,000 for money borrowed to pay last year's premiums so that with the cash on hand the total indebtedness is now \$1,769.25.

W. E. Carter read a splendid report from the board of trustees, telling of the success of the society in the past year.

There is no mystery to this. I cannot fathom, heart so sad I cannot gladden; my predictions and psychological work can be implicitly relied upon.

Consult him to-day. To-morrow may be too late. Readings 50c. \$1.00. Hours, 10 a. m. to 9 p. m.

ARE YOU IN TROUBLE?

Thousands live to-day to bless and give credit of their success and happiness to my wonderful help. I have others—why not you? I never fail to cause speedy and happy marriages with the one of your choice, reunite the separated, locate absent friends and buried hidden treasures, give you luck to win your biggest wish, overcome bad luck and sorrow of all kinds, and it takes one but a very short time. In fact, I guarantee everything I claim and you pay nothing until you have received value in full.

Business Men, if you are perplexed over business matters or employer lawsuits, come and see me. I am the only medium in this country who understands the secret of psychological work; when only a child it was revealed to me that I was endowed with this heavenly gift, and I have devoted my entire life to this secret work. There is no mystery so deep that I cannot fathom, heart so sad I cannot gladden; my predictions and psychological work can be implicitly relied upon.
